**WRITTEN OPINION OF THE
INTERNATIONAL SEARCHING AUTHORITY**

International application No.
PCT/JP2005/004392

Box No. I Basis of opinion

1. This opinion has been established based on the **language** of the international application except as otherwise indicated hereunder.
 - ☐ this opinion has been established based on a translation of the international application from _____, which is the language of a translation furnished for the purpose of an international search (Rules 12.3 and 23.1(b)).
2. With regards to any **nucleotide and/or amino acid sequence** disclosed in the international application and necessary to the claimed invention, this opinion has been established on the basis of:
 - a. type of material
 - ☐ a sequence listing
 - ☐ table(s) related to the sequence listing
 - b. format of material
 - ☐ on paper
 - ☐ in electronic form
 - c. time of filing/furnishing
 - ☐ contained in the international application as filed
 - ☐ filed together with the international application in electronic form
 - ☐ furnished subsequently to this Authority for the purposes of search
3. ☐ In addition, if a sequence listing and/or table(s) relating thereto has been filed, a statement has been submitted stating that sequences filed subsequently to the application or in addition thereto are identical to that/those in the application as filed, or that no items going beyond the disclosure as filed are included.
4. Additional comments:
